# analysis of online survey

How many times do you return the clothes during online shopping ?

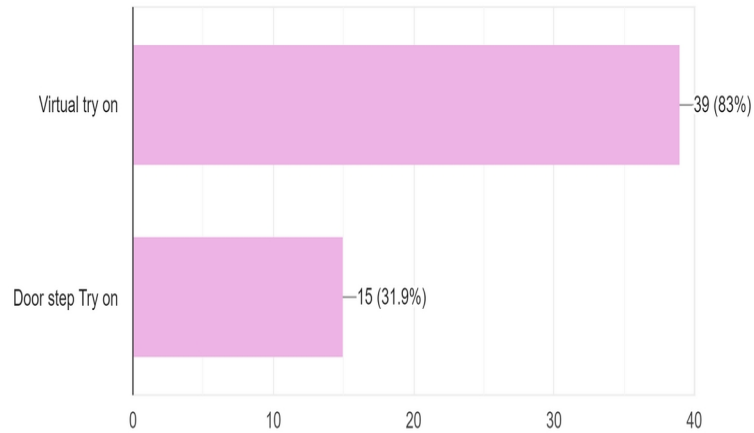

● 10-20%  
● 30-50%  
● 50-75 %  
● 75-100%

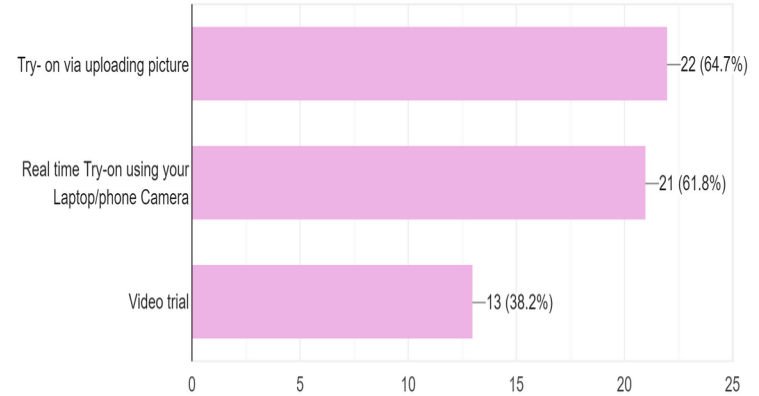

What are the reasons for your return?

## What do you prefer?

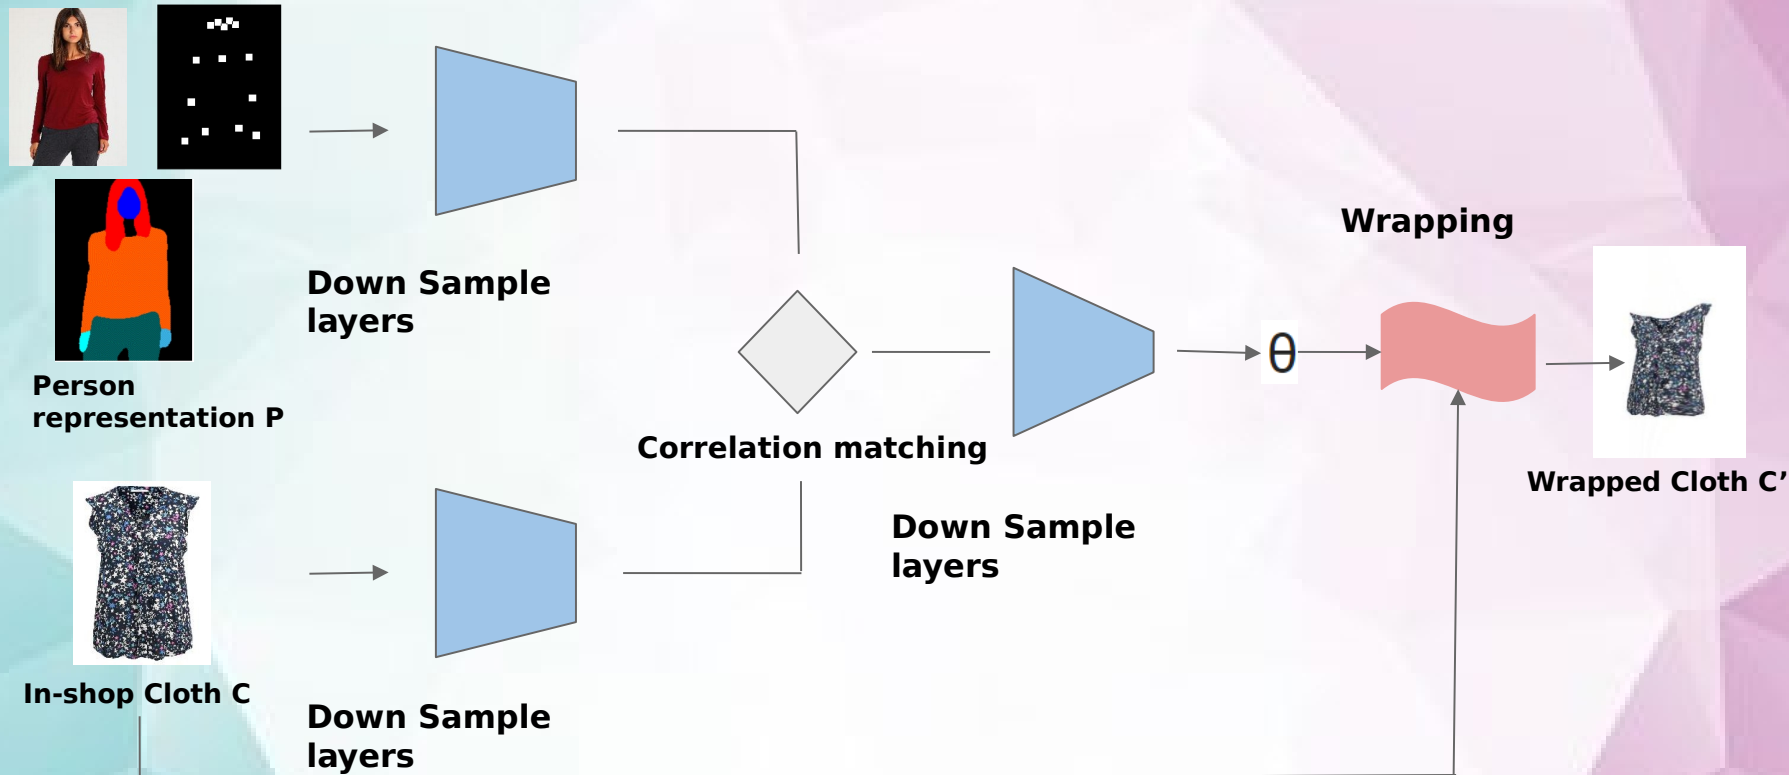

## If Virtual on then what are the features you wish to have in it?

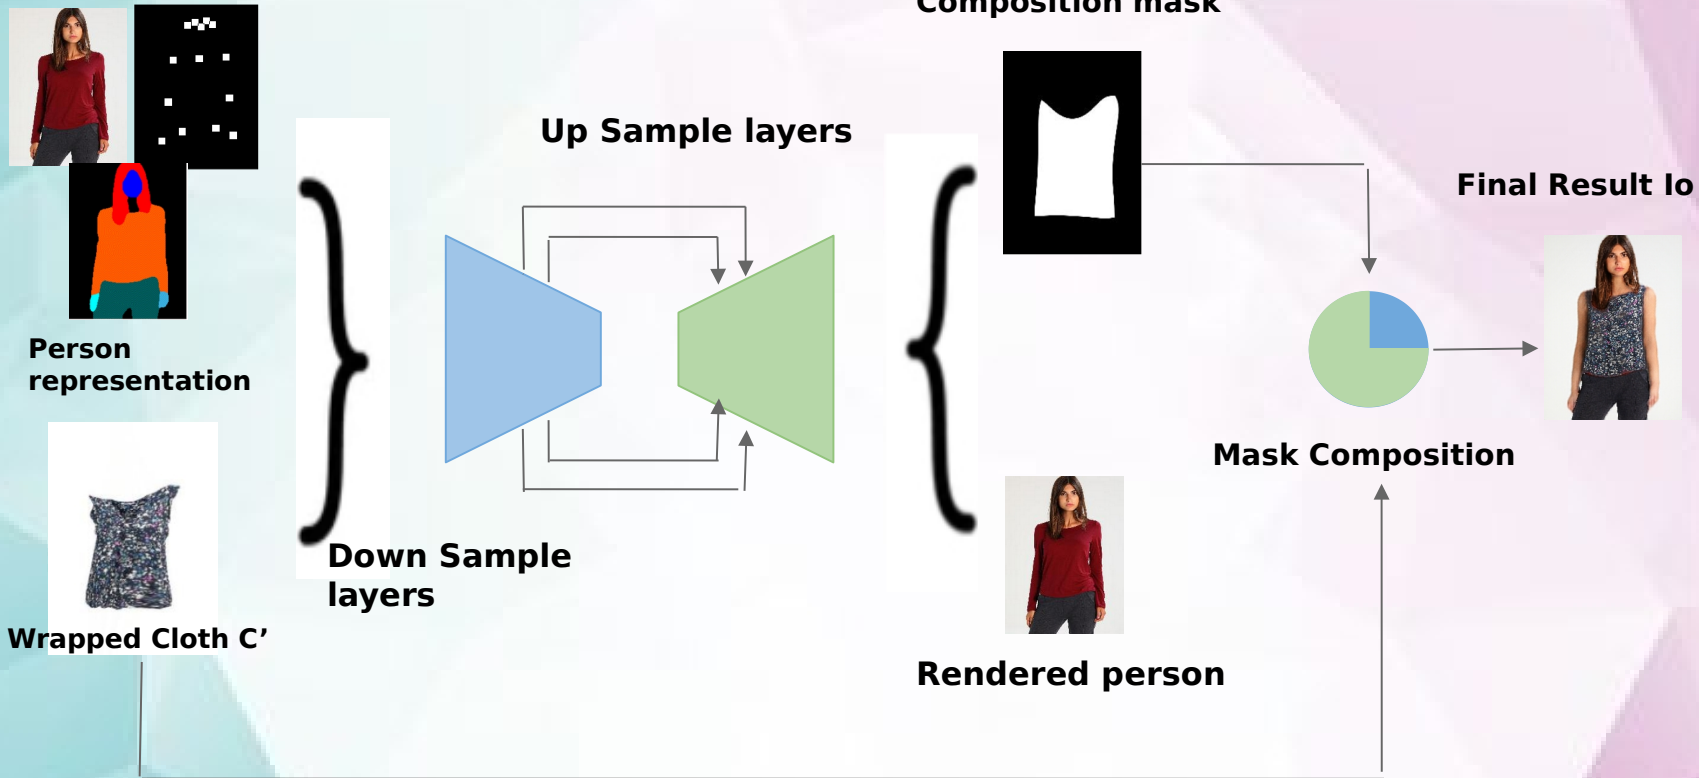

Let's go a  
little deeper  
into  
technology

# STage-I

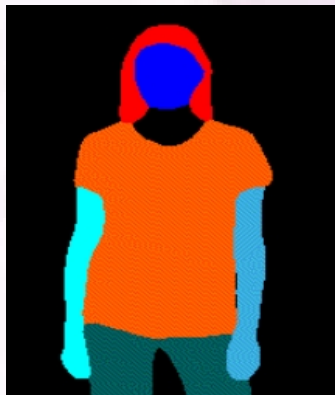

# SStage-II

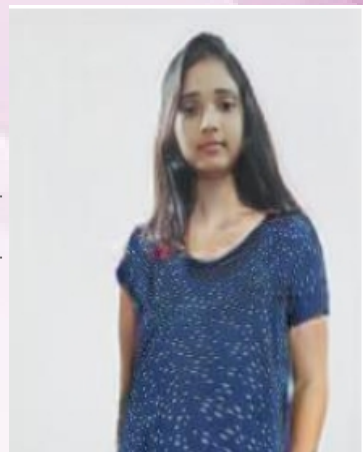

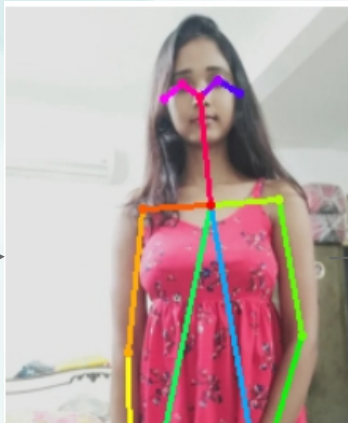

**Let's have  
our demo !!!**

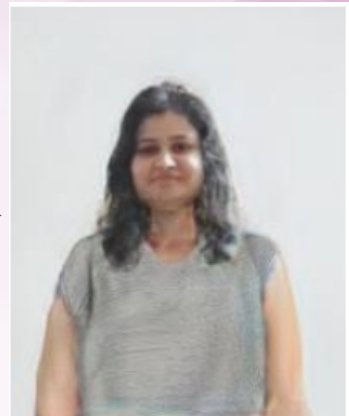

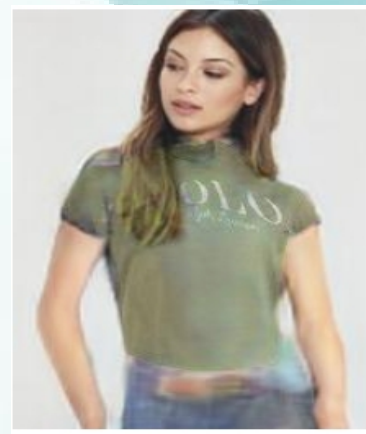

**Let's have  
some more  
diverse  
examples**

## **Myntra customer review images**

## **Myntra customer review images**

## Dim light Photo

## Distorted Photo

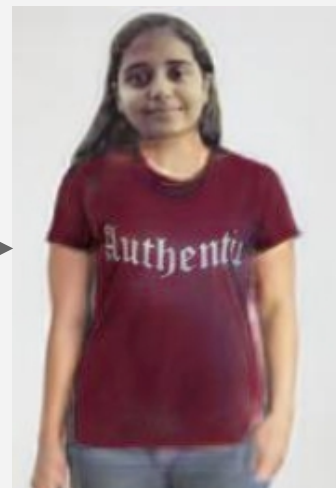

## Different Pose Photo

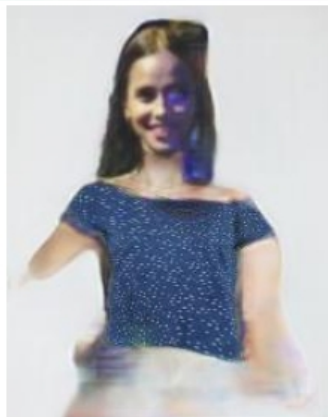

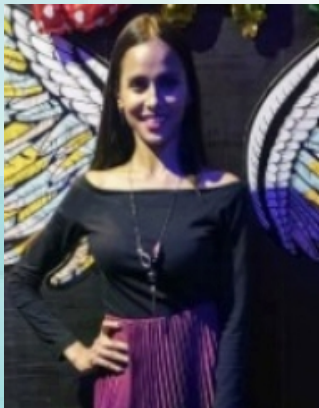

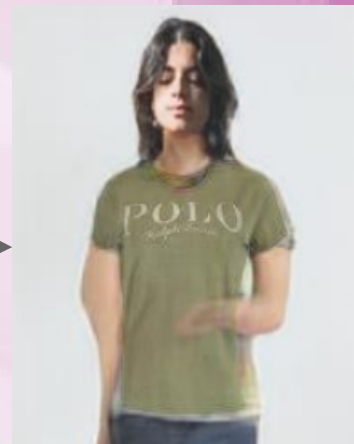

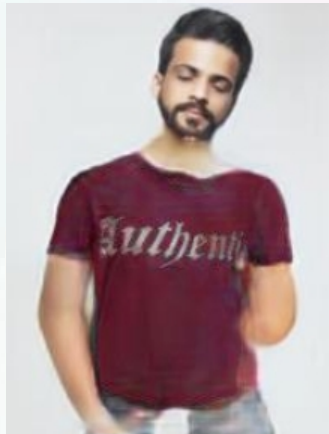

**Let's try it  
on  
ourselves**

## Limitation and Future Scope

# Improvements

## **Adding Camera in the project**

User can upload image using camera.

# Future scope

## **Improving User Interface**

To give the better user experience we will be improving our UI.

## **Working with more poses**

Working with more range of images.

# THANK YOU !!
